Good morning,

I still haven't heard anything. Have you? I 'm thinking we've given adequate time for some type of response at this point.

What are the next steps. Should we follow up?

I have not heard anything – expect it would take a week to read and digest (and brief their mayor...)

Not from the City. Shawn sent me a few brief comments yesterday afternoon.

I did email Deb Hoag from the city a few minutes ago on an unrelated pretreatment matter.

Greetings all

Attached you will find a proposed Notice to provide the Court with information regarding the status of the compliance with the Consent Decree and the proposed modifications to the decree. Once you have had an opportunity to review let's set a time to discuss.

Thank you for your continued cooperation in this matter.
